Re: EEOC Charge Against City of St. Louis, et al.
No. 560202302438

Dear Ms. Watson:

Because you filed the above charge with the Equal Employment Opportunity Commission, and more than 180 days have elapsed since the date the Commission assumed jurisdiction over the charge, and no suit based thereon has been filed by this Department, and because you have specifically requested this Notice, you are hereby notified that you have the right to institute a civil action under Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000e, et seq., against the above-named respondent.

If you choose to commence a civil action, such suit must be filed in the appropriate Court within 90 days of your receipt of this Notice. If you cannot afford or are unable to retain an attorney to represent you, the Court may, at its discretion, assist you in obtaining an attorney. If you plan to ask the Court to help you find an attorney, you must make this request of the Court in the form and manner it requires. Your request to the Court should be made well before the end of the time period mentioned above. A request for representation does not relieve you of the obligation to file suit within this 90-day period.

The investigative file pertaining to your case is located in the EEOC St. Louis District Office, St Louis, MO.

This Notice should not be taken to mean that the Department of Justice has made a judgment as to whether or not your case is meritorious.

Sincerely,

Kristen Clarke
Assistant Attorney General
Civil Rights Division
